

DIPLOMA OF CIVIL CONSTRUCTION AND DESIGN

PRICING:
 AUD\$5000
 50% Deposit Required

DURATION:
 52 Weeks
 Including 6 weeks Break

LOCATION:
 Ferguson Study Centre,
 Gordons, Port Moresby

COURSE OVERVIEW:

RII50520 – Diploma of Civil Construction Design reflects the role of individuals working as designers or design paraprofessionals who support professional engineers. They perform tasks involving a high level of autonomy and requiring the application of significant judgement in planning and determining the selection of equipment/roles/techniques for themselves and others. They are required to develop site specific work designs to ensure the implementation of the client’s site requirements. They demonstrate the application of a broad range of technical, managerial, coordination and planning skills.
